Dear Spandana Members,

Last year we helped over 3200 students from over 170 schools from the states of AP, KN, TN and MH with the help of volunteers, donors and corporates. This year for the academic year 2010-11, Spandana Core team planning to support 4000 meritorious but poor students from all across these states.

If "**You**" would like to help students from "**Your School**" or "**Your Village**"

please get in touch with our [Pratibha Team](#).

The program is designed to facilitate NRIs to help meritorious but poor students from their native place.
